

Blu-ray 9mm.
 This specification is to scale and may be used as a template in Adobe Illustrator.

Follow all measurements exactly.
 If in doubt, please contact your customer service representative.
 Failure to follow these specifications may delay your job.

LEGEND:

- Artwork area (keep text and important graphics 3mm from trim and fold lines).
- Bleed area (allow background colour / image to bleed 3mm past trim lines).
- Trim marks indicate cutting lines (these marks must be Registration colour).
- Fold marks indicate fold lines (these marks must be Registration colour).
- Non-print area - larger images / graphics must be masked out. Only Trim & Fold marks are allowed outside the bleed area.

When submitting art using this file as a template in Illustrator, please delete the layer named: "Delete this layer" and only leave the "Artwork layer" and "Trim & Fold Marks" layers.

If using this template in other art programs, please ensure that your final art has only your art and the Trim & Fold marks, delete all other visible objects and text.

Note: Text on the spine should read in the direction of "Spine" on the template.
